Median (50th percentile) Number of Patients Treated	4	7	12	2	2	6

Note: Medical billing data for Designated Doctor appointments, Required Medical Examinations, and MMI/IR exams is removed. Medical services provided in an emergency room are also removed.

Note: Information reflects medical billing data received by the Commission as of July 9, 2004. The medical data will not comprehensively reflect all services provided since 9/1/2003 until all of the medical billing data has been submitted to and processed by the carrier and reported to the Commission.

Note: The Commission does currently collect complete medical billing for dental services; therefore, data is not provided regarding dentists.
